Memo from [ ] to Flax  
sub: Methodology for Handling CIA-Managed Projects  
of the NRP

Called on Flax to address himself to the CIA managed programs which required endorsement and funding approvals before progress could be made. Also COR improvement program is in day to day slippage pending funding authorizations to carry out contracts. Also wld like guidance on composition of NRO Staff in accordance with new NRO agreement of August 65 so CIA could make order selection and transfer of personnel to fill slots.

NRO review(s) completed.
